

**There are THREE categories for admission within the BC Entertainment Hall of Fame (BCEHOF) that are reviewed annually by the organizations’ Nominating Committee. Two of these categories ( *StarWalk* and *Pioneers*) require an external nomination while the third (*Vancouver Favourites*) is awarded through the discretion of the BCEHoF.**

## **Qualifications**

### **StarWalk Inductees**

Past or Present residents of British Columbia who - through demonstrated excellence in their craft- have made a significant impact on the cultural profile of the province.

### **Pioneers Inductees**

Thought of as the “historical core” of our Province’s entertainment history, these inductees may have had limited mainstream exposure outside of their specific craft but whose significant contributions are exceedingly worthy of recognition.

In both of the above categories, external nominations must be made to the BCEHoF Nominating committee by a published deadline. The committee is solely responsible for the screening, vetting and recommendation of all potential nominees to the BCEHoF Board of Directors selection.

### **Nominee Assessment**

All applicants are adjudicated by a nominating panel using the following matrix as a guideline.

Artistic Accomplishment	Contribution to BC	National or International Recognition	Public Profile during Career	Industry Profile during Career	Awards Received	Training or Education	
40	35	5	5	5	5	5	100

All announcements will be published by our Media Sponsor:
